A Message from Your President

Hello {FIRST_NAME|TU/TFFer's} ,

I hope you all were able to make it to our Fly Fishing Film Festival this year at Monterau. This was by far our best showing we've had and we were able to raise a lot of money for our projects like Trout in the Classroom and our brand new project that is about to get underway at Watts.

What's the Watts project you ask? We are teaming up with the 89'er chapter in OKC and the ODWC to bring you a brand new bathroom at the Watts access area. I know I know, it's going to be odd not going to the bathroom in the bushes off of the hiking trail but we all have to make adjustments.

OKTU420 & TFF are able to make these

Project Healing Waters Fly Fishing

Oklahoma

PHWFF

Lloyd Wicker Memorial 2 Fly Tournament
Cotter Arkansas on the White River.

June 11th 8am-4pm

- Starting from Fultons Lodge
- Fund raising tournament to benefit Project Healing Waters Fly Fishing OK
- Prizes for 1 place - 3rd place
- 35 dollars per entry.
- Questions?
- Contact Chris Gorman at: phwffok@gmail.com

Directions to Fulton Lodge

From US 62 East in Flippin:

After you cross the bridge on the White River, the highway will climb a long hill. At the top of the hill turn left on County Road #1 (Denton Ferry Road). After 7 ½ miles, turn left on county road #703. 703 is a loop road near the river so it has two entrances to county road #1. The second entrance is the shortest, and we have a sign on that corner. Lodge is about 1/4 mile on the right. If you miss the turn on to 703, county road #1 will turn to gravel within 100 feet.

kinds of improvements to the L.I.R. because of the incredible support of our membership by either making donations or attending our fundraiser events. We hope to continue being able to make major improvements to our home waters in the future but it's going to take a team of volunteers lending their free time and helping us support these projects.

If you're interested in getting more involved with OKTU420, TFF or our Veterans programs I encourage you to step up and ask a board member how you can get involved.

Thank you again for making our chapter goals more attainable through your support!

John Sellars, President of Oklahoma Trout Unlimited & Tulsa Fly Fishers

Trout Unlimited Opposes Legislative Efforts to seize our National Forests & Parks

All fishing, hunting and recreation threatened

Being a landowner is a right in this country. America's public lands are your lands. And it's your right as a citizen to fish its clean waters. At Trout Unlimited we are proud of that right and will fight to protect it. However, a handful of legislators want to take away your rights and take your land. Theodore Roosevelt drew a

Did You Know?

By: Pat Daly

NOTICE ALL ... "DID YOU KNOW?" is a feature of our monthly Streamlines newsletter. Do you have something you think ever member needs to know? Just write a couple paragraphs and send them to us. (Editors Note, we reserve the right to determine whether your item is truly something everyone needs to know. Facts only please.)

2016 Schedule

The Meeting room has been scheduled for 2016. Two of the dates will **NOT** be on the usual second Thursday due to library events that are held that day. However, all will be on a Thursday.

- September 15 - **the third Thursday**
- October 13
- November 10

Remember we do not meet at the library during June, July or August. The December meeting is the annual dinner meeting.

We meet at the HARDESTY REGIONAL LIBRARY, 8316 E. 93rd St. on the north side of the Creek Turnpike, east of Memorial Drive. Doors open a little after 6:00 pm.

line in the sand, and we are going to hold it for ourselves and future generations.

Some Facts:

- Colorado, the secret of state-owned property – Colorado has over 3 million acres that were deeded to it by the Federal government, yet 2,520,000 acres are closed to fishing and hunting. Only 480,000 acres (about 16 percent) of these supposedly public lands are actually open for hunting and fishing. In fact, Colorado state-trust lands are statutorily closed to the public for any purpose without a specific lease or permit. As a result, 84 percent of the remaining state-trust acres are leased to the highest bidder; often for oil and gas, agriculture or mineral development. Some of these public lands are actually leased for private recreational use only. Only the wealthy can fish and hunt on Colorado's leased public land.
- New Mexico. State public lands are closed to all camping and off limits to the public for most of the year.
- Utah legislators propose selling or leasing 2.4 million acres of prime public land to private interests.
- Nevada. Sold off all but 3,000 acres of over 2.7 million acres of state lands it citizens formerly owned. There is no money left from the one-time sale.
- Idaho. State Legislators propose to close prime state land to the public; Only an exclusive pay-to-play fishing and hunting club could use public

June Outing

Vibert Box Planting

I wanted to take a minute and provide an update to all interested in the Egg Planting project at Beaver Tail water June 4. I'm particularly excited with this event due to the joint efforts with not only the TU Tulsa Chapter 420 members but also members from the Arkansas TU Chapter 514!!

Let's plan to meet at the Parker Bottoms access parking lot at 8am sharp! There we will review the day's activities and meet / divide into teams. We do have a campsite reserved for the purpose of a lunch meal space. Our Chapter President Michael Wingo will be hosting lunch in camp site #41!

Date: Saturday - 6/4/16

Time: 8am – 2pm

Where: Beaver Tail water

Meet: Parker Bottoms Access

What to Bring: Waders / Rain Jacket

Provided: All supplies and Lunch

As you can see I don't have email addresses for all in attendance, so please pass along this communication as needed. Also, if you notice that I left an individual(s) off the roster, please let me know so we can plan appropriately.

Contact Heath for information: Heath Tiefenauer at outings.tff@gmail.com See you there!

Trout in the Classroom

Trout in the Classroom Needs Volunteers for 2016 - 2017 Program

Members of OKTU and TFF are encouraged to volunteer to help at release outings next year. These field trips to the Lower Illinois River are the exciting culmination of the program and are fun to be a part of.

We offer fly casting clinics, fly tying exhibitions, bug collections from the river, and our knowledge of the river and it's inhabitants to the students.

Oklahoma 420 Joint Outing

Our chapter has been invited to participate in a joint outing with the Arkansas 514 Chapter this June. Arkansas Chapter 514 will be planting Vibert boxes full of trout eggs at the Beaver tailwater and has invited us to join them. The event is tentatively scheduled for the first weekend in June, June 4, but is subject to change depending on the hatchery schedule, egg health, and lake levels.

Planting Vibert boxes is something our group doesn't have an opportunity to do at our local tailwater and should be very interesting. Food and soft drinks will be provided by the host chapter and planting day will have no generation so the wade fishing after the event should be great! Beaver tailwater is below Beaver Lake near Eureka Springs and can be a day trip.

There is plenty of lodging in Eureka Springs and the lake offers several campgrounds for anyone wishing to make a weekend out of it. Signing up for this event in advance is appreciated. Chapter

SUMMER ON THE FLY PROGRAM OFFERED

If you are reading this and you have children, grandchildren, nieces or nephews under the age of 15 and over 10 years old and they want to learn how to fly fish ... PLEASE keep reading.

Last year I received a special grant from NatureWorks here in Tulsa to promote fly fishing and conservation ethics to local area youth ... this is one of the programs we are offering.

Through the Jenks Community Education program we will be holding a 2 -Day Fly Fishing Clinic for area kids ... boys and girls.

Cost is only \$5. Clinic is most of the day on Saturday June 18th and held at the Jenks Aquatics Center on the High School campus in Jenks. The second day, which is not mandatory, is a 1/2 day fishing outing at the Jenks Aquarium outdoor fishing pond. No equipment is needed for either day. (Sunday the 19th Father's Day and all members of each participants families will be

514 will be firming up plans in the next two weeks and more information and requests for signing up will be provided in the May newsletter.

September 15th General Meeting
