Fishing is allowed only on Fri, Sat, Sun and Mon from 8 am to 4 pm.

1/20/16

Hey Guys,

A change of plans!! Still 4 of us. I'll leave my house about 5:45am on **Saturday**, Jan 23, to pick up Jim then Mike then Charlie on our way out of town. No lunch to pack, we will eat with the TFF at the river. Bring your Saturday am breakfast or we can eat fast food on the way. A 2hrs 45min drive gets us to Roaring River about 9:30am, Saturday. We will fish 'til noon, Eat lunch, Fish 1:30 to 4pm, Go into Cassville, 8 miles away & check-in, clean up, eat dinner locally and visit until bedtime. We'll eat **Sunday** breakfast at the hotel, check-out, get our lunches and fish 'til 4 and head home. We can eat on the way home, if we want.

We'll stay at the America's Best Value Inn & Suites, (417) 847-4888, in Cassville. I'll call to reserve the rooms, if that it OK? Please confirm this email quickly so I can make the call.

The weather is supposed to be good with Saturday 36 to 49 & sunny, Sunday 40 to 54 & partly cloudy.

Let me know if you have other ideas about anything. It's going to be a memorable trip. See you **early Saturday**.tj

Mike Teague, August 6, 2015. Caught over 30 on a red zebra midge, size 18. Fishing got really slow after about noon. Strangely, we saw no hatches of any kind today. River is in good shape with a little blue green color. Super hot and humid too!

Tom Jones, Fished with a Griffith's Gnat Cream, Olive, Black #12 or #14. Throw in fast water and swing to an eddy. Let it drift back to you. Just keep the slack out and be ready.
